Dear Mr. Kilbane:

Re: Terminal 91 Tank Farm Site *Agreed Order No. DE 98HW-N108*

Attached is a letter that was sent to the Port of Seattle by the Washington State Department of Ecology (Ecology) on April 20, 2005 which includes information that may affect the former Tank Farm site leased by your client Pacific Northern Oil Corporation (PNO). Since PNO is a PLP under the current agreed order and will be included in the permit renewal process this fall, I wanted to send you a copy as a courtesy.

If you have any questions or comments, please contact me at the Department of Ecology Northwest Regional Office by phone at (425) 649-7280 or by email at [gtri461@ecy.wa.gov](mailto:gtri461@ecy.wa.gov).

Sincerely,
